SYCZĄCE KOSTKI

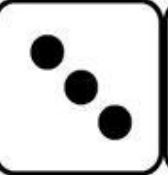

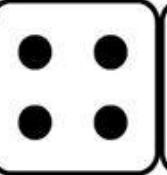

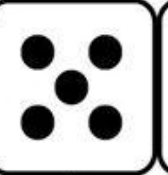

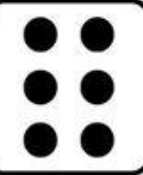

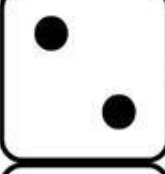

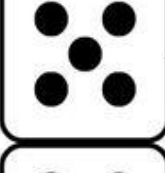

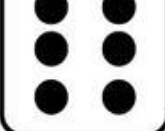

Przygotuj kostkę do gry.

Rzuć nią, policz liczbę oczek i zapamiętaj lub zaznacz odpowiednią kostkę na karcie po lewej stronie.

Następnie rzuć drugi raz, policz oczka i odszukaj taką kostkę na górze karty.

Znajdź pole, które odpowiada obu tym kostkom i powtórz/przeczytaj sylabę. Jeśli na polu zamiast sylaby znajdziesz inny symbol wykonaj zadanie zgodnie z legendą znajdującą się na dole karty :)
